

Patient Information For

Hand Surgery

You have been referred via handtrauma.net to WPRS (Warrnambool Plastic and Reconstructive surgery) for surgical opinion and management of your hand injury

For all urgent hand injuries requiring surgery with 24 hour a doctor from WPRS will contact you directly to advise you on where to present and need to fast.

For all semi-urgent hand injuries a staff member will contact you within 24 hours with an appointment to see you regarding your hand injury

Please do not fast for surgery until you have been contacted by WPRS and advised to do so.

There will be a \$20 out of pocket fee for consultation with our surgeons. There are no out of pocket costs for any surgery that maybe required.

If you do not hear from WPRS with 24 hours of your referral please contact us on 03 5562 5330
